

Church Tech Volunteer Invitation Scripts & Messaging Kit

1. Personal Invite Script

Hey, I've noticed you've been coming consistently, and I really appreciate that.

Have you ever thought about serving on the tech team?

You wouldn't be thrown in alone — we'd let you shadow first.

It's once every other week, and we train you.

Would you be open to just sitting in the booth this Sunday to see what it's like?

2. Stage Announcement Script

We're expanding our tech team, and if you've ever wanted to learn how livestream, audio, or screens work — this is your moment.

You don't need experience. We train you. You'll serve alongside a team.

If you're interested in shadowing, stop by the booth after service.

3. Website 'Get Involved' Copy Block

Help make Sunday happen.

From cameras and audio to livestream and screens, our tech team ensures the message is seen and heard clearly.

No experience required. Training provided. Rotating schedule.

Start by shadowing for one service — no commitment required.

4. Follow-Up Text Template

Hey [Name], thanks for being open to shadowing the tech team!

We'd love to have you sit in this Sunday at [service time].

Arrive 30 minutes early and we'll introduce you to the team.

Looking forward to it!

5. Follow-Up Email Template

Subject: Excited for You to Shadow the Tech Team

Hi [Name],

We're excited you're interested in checking out the tech team.

Arrive 30 minutes before service and sit next to a trained volunteer.

No commitment required. If you enjoy it, we'll talk next steps.

6. Shadow Sunday Checklist

- Assigned mentor
- Seat ready
- Role explained
- Clear expectations shared
- Defined next step conversation scheduled

7. Volunteer Appreciation Script

Can we take a moment to thank the people you don't see every Sunday?

Our tech team ensures the message is heard clearly in this room and online.

If you serve on that team — thank you. You matter.

Admin Implementation Plan

- Identify 3 potential volunteers this week

- Personally invite them
- Run one stage announcement
- Schedule shadow opportunities
- Publicly thank the team

This Week's Challenge

Personally invite one person to shadow your tech team this Sunday.

Not an announcement. A conversation.
